Dear Mr. Martin

I am desperately seeking
advice and help about
cable television.

I am 72 years old
have Comcast cable network
and paying a high price
once a month for channels
I do not watch or need.

I call Comcast and get
the same old answers, for the
channels you want, you
must have the channels you
don't want. Please help and see
what you can do about a la carte
programming a reality.

Thank you

I WATCH SOMETHING LIKE 20 CHANNELS, YET I PAY FOR 77 CHANNELS !!! WHY? WHY CAN'T I PAY FOR WHAT I WANT AND ONLY THAT?

ANOTHER THING: AMERICAN TV IS THE WORSE IN THE WORLD. THE AIRWAVES BELONGS TO BIG BUSINESS. ALL I SEE ON TV ARE ADS, COMMERCIALS. I WATCH 5 MINUTES OF NEWS - BOOM - 5 MINUTES OF COMMERCIALS - 5 MINUTES OF A MOVIE - BOOM - 5 MINUTES OF COMMERCIALS. ALL WE GET ON AMERICAN TV ARE COMMERCIALS, COMMERCIALS, COMMERCIALS INTERSPERSED NOW AND THEN WITH 5 MINUTES OF NEWS OR A MOVIE. HOW COME WE ^{CAN'T} HAVE THE SAME SYSTEM AS THE ENGLISH? EVEN IF A TAX HAS TO BE PAID TO SOMEONE OR SOMETHING.

HOW DOES THIS SYSTEM THE BRITISH HAVE WORK?

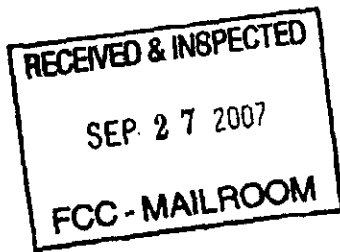

HOW DO THEY DO IT? ARE THESE QUESTIONS TOO DIFFICULT FOR YOU?

THANK YOU FOR YOUR TIME.

YOURS TRULY,
Anthony Fusco

Dear Sir:

I am writing to ask you to please help the people like us who have to pay a big premium just to have cable television. We pay \$55.00 a month just to be able to get a clear picture. We only have the basic service, but there are many channels that we do not even care to look at. At the most we watch about 5 different stations, but Comcast Cable Company doesn't have any packages less than the basic. Is there any way you could push for a LaCarte Cable company?

I don't really watch that much television myself, but my husband is disabled and can't do much so he does enjoy his programs and I would hate to take that away from him. Comcast probably will soon be raising the rates again, and I doubt we will be able to afford it much longer.

We need someone to speak up for us, and get the price of cable either down, or else have more companies to choose from so that we have a choice of how much to pay. Maybe everyone else will be charging just as much, and we wouldn't be able to afford it anyway, but at least we would have a choice. I can live without television, and I know my husband could to, but he wouldn't like it very much. That is one thing he truly enjoys. I would like to see more people read the newspapers and other more educational things, but I understand the need to be entertained.

Please do whatever you can to back a LaCarte cable. Thank you for your time.

Yours truly,

Maria Hardt

Mr. Martin,

I am writing to you in hopes that you will do something about the cable companies especially Comcast.

They should have a way for people to choose which stations they want to watch.

I hardly watch T.V., mostly the news & most days there is nothing I want to watch since most of the family type shows are no longer on.

As a senior \$53.00 per month is a lot of money.

I listen to the radio most of the day.

Please do something for us.
